APPLICATION FOR ADMISSION Bachelor of Science in Nursing (BSN)

Please read these instructions before completing this application. The application process must be initiated by the student and submitted to **160 University Hall** by the deadline date. Students not following instructions may be denied admission to the nursing program.

All applications will be considered solely on the basis of merit and without regard to race, color, sex, age, disability, religion, ancestry, or veteran status.

1. You must be accepted as a **degree seeking student** to Wright State University. **It is your responsibility to make sure all transcripts from *all educational programs attended* have been received by Wright State University and that you are eligible to register for classes the term for which you are applying.**
2. A grade of **“C”** or better is required in all prerequisite courses (NOTE: A science course can be repeated one time only; a maximum of two science courses can be repeated. All natural science courses must have been completed in the last ten years.
3. Both **cumulative grade point average from all institutions** and **prerequisite grade point average** must be a minimum of **2.75**. All prerequisite courses must be completed by the application deadline. Due to enrollment limits (maximum of 100 per admission period), admission will be competitive based on prerequisite grade point average, cumulative grade point average, and HESI RN A2 entry exam scores.
4. Please take note of the course requirements listed on page two. All of these courses must be successfully completed **prior** to applying to the College of Nursing and Health (by May 15 for fall entry; September 15 for spring entry). **You must attach to this application copies of transcripts or web advisor reports verifying successful completion of all prerequisite courses listed on the application.** Please highlight the prerequisite courses.
5. You must have scored **at least a 75%** on each of the three components (Math, English Language Composite, and Science Composite) on the HESI RN A2 Entry Examination. **Please attach your exam results to the application.**
6. Both BCI&I and FBI background checks must be submitted directly to the College of Nursing & Health. The background check results must be completely clear/clean, showing “no record on file.” Admission decisions cannot be made until the results are received. To be sure the results are received by the deadline, you should be fingerprinted two months prior to the application deadline. (This service is available at WSU’s Educational Resource Center in 116 Allyn Hall.)

Any applications received after these dates will be reviewed on a space available basis.

All students must successfully complete a state approved nurse aide training course before entering the first nursing course (NUR 2100). The course must have been completed within two years of the application deadline unless the student is currently working as a STNA/CNA. In this situation, a copy of the certificate must be submitted along with a letter from the employer verifying your current position and years of experience.

PLEASE FILL OUT THE INFORMATION ON PAGE TWO

Please complete the following information. You must mark where each course was completed. **Attach a transcript(s) or web advisor report to verify completion of each course. Highlight each prerequisite course on your transcript(s). Also attach your HESI RN A2 Exam results page.**
